Denholm Forwarding have extensive experience of moving full load and consolidation containers on major trade routes.

Full loads are moved on a daily basis to and from Middle East, Far East, USA with other destinations as required. Our volumes enable us to negotiate preferential rates with ocean carriers and this, coupled with the door-to-door control effected by us and our agents, allows us to offer a premier service to importers and exporters alike. Consolidation containers are moved on a weekly basis to / from many overseas ports with our particular strengths being China / UK, Hong Kong / UK, and a two way service to / from the Mediterranean ports of Haifa and Ashdod. We can also arrange 'personal consolidations' on LCL/FCL basis.
