FREIGHT MANAGEMENT: *Dedicated expertise without the overheads*

The complexity of buying and selling in overseas markets is often matched by the complexity of shipping the goods. The international movement of freight and the related documentation often requires the expertise and experience of external specialists. Denholm Forwarding provides all the functions of an in-house shipping department - without the overheads.

For exporters, every facet of exporting, from documentation to final despatch and invoicing, is completed with an efficiency and ease that only comes with experience.

For importers, our full range of management services includes:

- customs clearance
- haulage
- storage
- payment of duty
- freight and related expenses

Denholm Forwarding provides a complete and comprehensive freight management service tailored to ensure you gain the advantage.
