**PETRASCO: Oil & Gas**

**Petrasco was founded in 1974 as an international freight forwarder specialising in the oilfield services market. In a highly competitive market where a business is defined by its service quality and reliability Petrasco has earned its reputation for providing its customers with innovative and cost-effective solutions.**

Petrasco's job is to provide its customers with a service that is always quick, reliable and accurate. The systems in use are designed and organised to support service delivery, and the operation is fully multi-modal, with each member of staff managing air, sea, and road services on behalf of their clients.
