The Company:

- Profile
- Office Details

WAREHOUSING

Both in the UK and overseas, our warehousing and distribution service is an important part of the total freight forwarding capability.

Denholm Forwarding operates combined office and warehouse facilities in the UK, USA (Houston) and UAE (Dubai). In the UK, our Aberdeen, Birmingham and Bristol facilities operate their own warehouses while other offices work in close partnership with established third-party providers, and our sister company, Denholm Handling Limited.
